Dear Mark:

Congratulations!

Your company has been rated #1 Franchisor in the category of

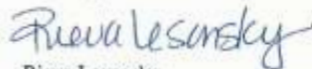

Chinese Fast Food

in **Entrepreneur Magazine's** 15th Annual Franchise 500. Long recognized as the nation's leading small business magazine, **Entrepreneur** is the premier source of franchise information. Your ranking as the top franchise in your industry is an accomplishment you can be proud of.

As a successful franchisor you do more than embody the entrepreneurial spirit that infuses America today. You have not only accomplished your dream, you've shared it.

We wish you continued success in 1994 and the future.

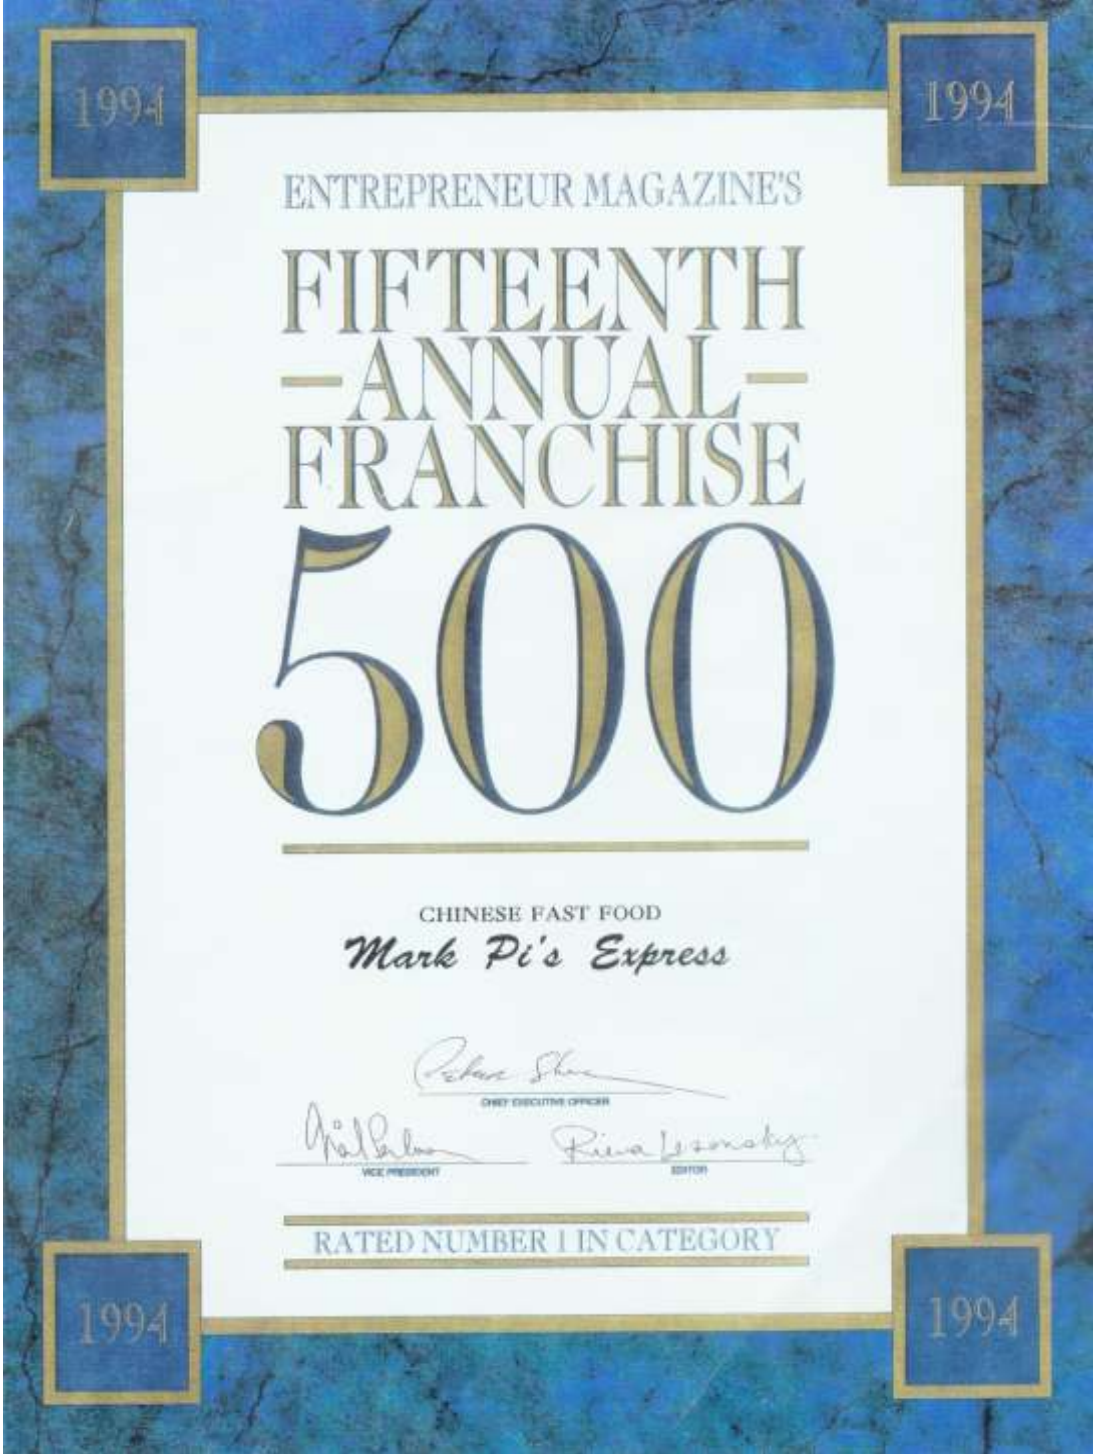

Sincerely,

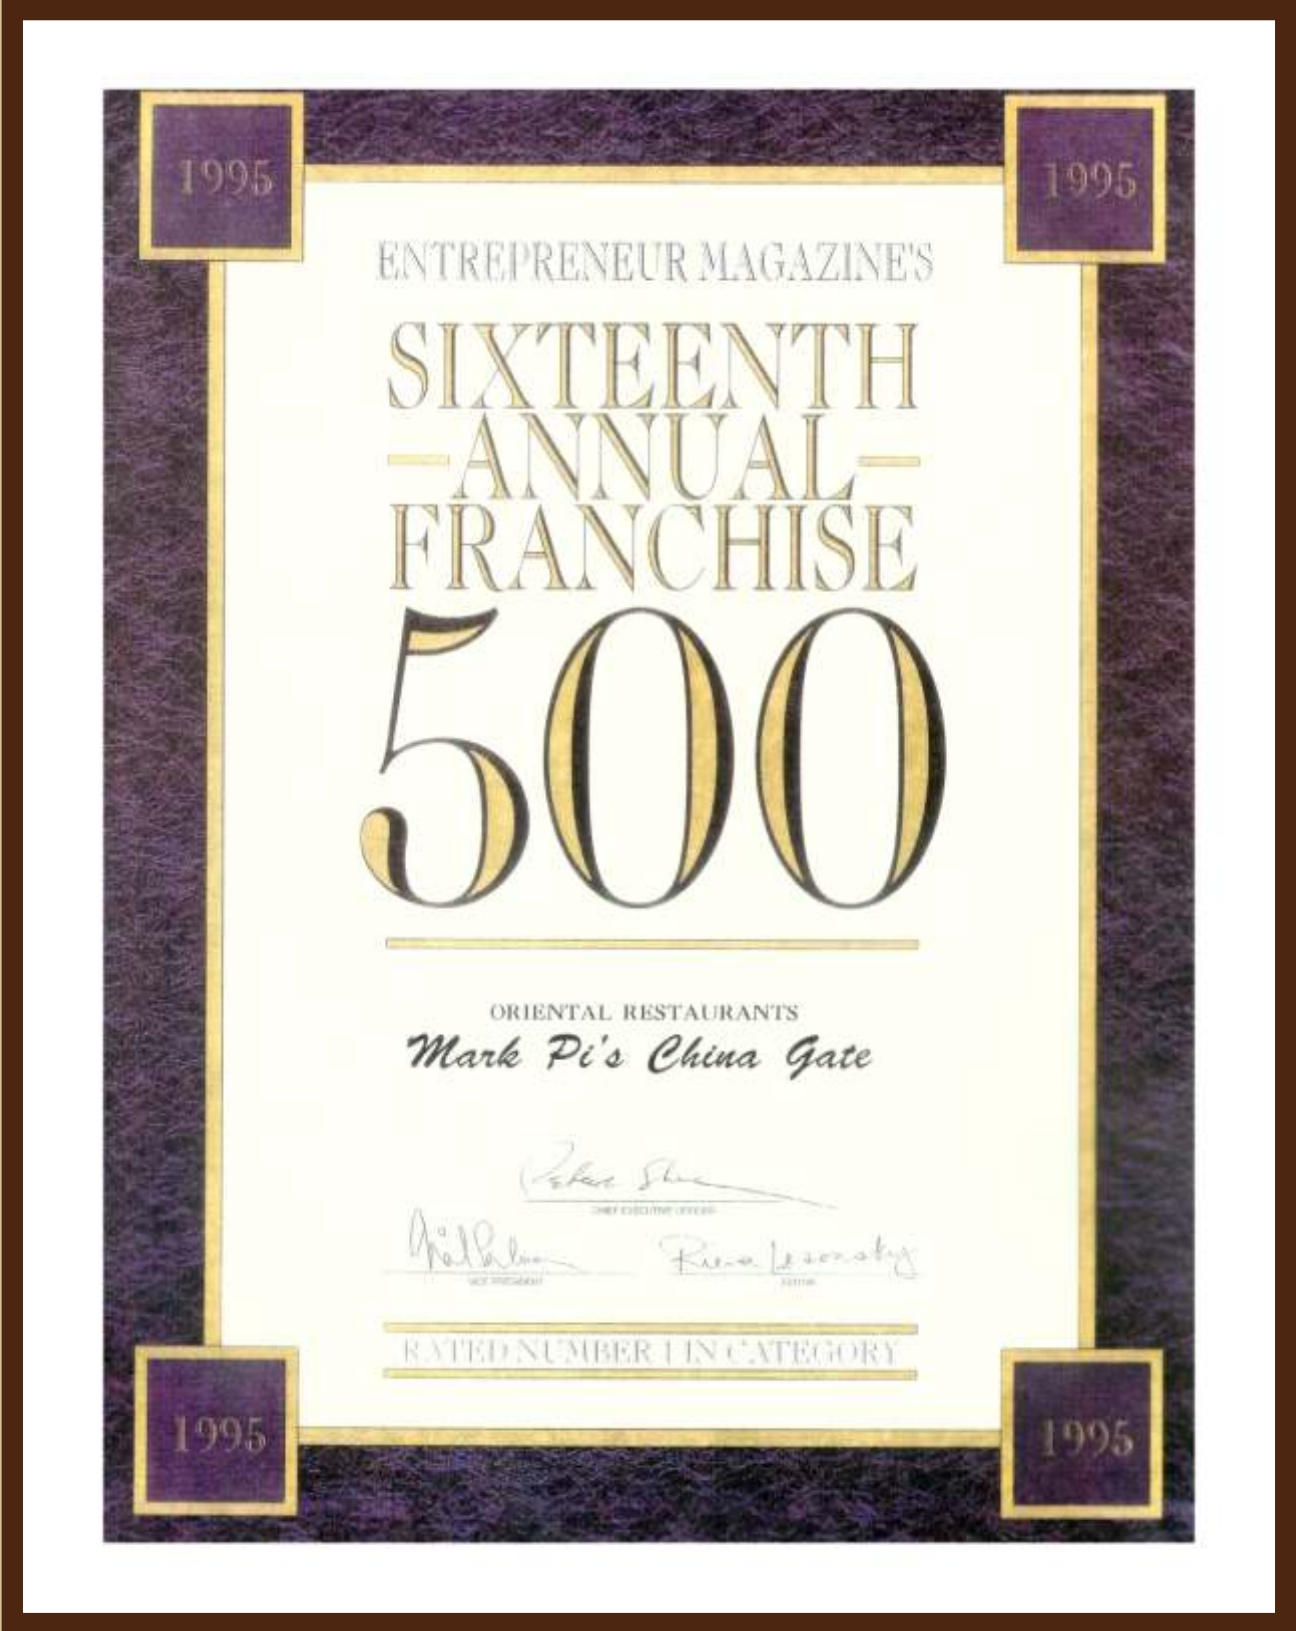

Rieva Lesonsky
